Betchworth Parish Council would like to ask for volunteers to help in our community. We would hope that everyone could spare some time to support the village. Even an hour a year would be a help.

We need volunteers to help with the following areas:

Become a footpath champion: Whilst out enjoying the countryside please let us know of anything that you see that needs correcting.

Become a litter pick volunteer: Twice a year come together with other members of the community to collect the litter. Full equipment and health and safety briefing is provided.

Become a Speedwatch volunteer: Help keep our roads safe. Full training is provided.

Become a Parish Councillor: Please speak to The Clerk for details.
