

# THANK YOU !

We are grateful to the many organisations who have made our success possible. Recent partnerships and supporters include:

**Reigate Heath Golf Club** ran a variety of events to raise funds for us as their Charity of the Year.

**Buckland Nursery** donated many plants for the garden and for our plant stall at our open days.

A pub quiz ran by The Anchor in Bookham raised money to help build a beautiful willow structure to create a peaceful area in the garden.

**Alitex**, who create and manufacture Victorian-style greenhouses, selected us as the winner of their stunning display greenhouse.

# GET INVOLVED

We are a registered charity (Charity No 1162471) and raise all our own funds. We operate in the stunning natural environment of a walled garden in Dorking with views to Box Hill.

If you would like to find out more about how your company, organisation or local membership group can partner with us please get in touch at [info@patchworkinggardenproject.co.uk](mailto:info@patchworkinggardenproject.co.uk)

Find out more about our work at [www.patchworkinggarden.co.uk](http://www.patchworkinggarden.co.uk)

# PATCHWORKING GARDEN PROJECT

**HOW YOUR COMPANY, ORGANISATION OR LOCAL MEMBERSHIP GROUP CAN GET INVOLVED**

Your support is crucial to ensure we can continue using gardening to improve lives. There are lots of ways to help or work in partnership!

# GET YOUR BUSINESS OR ORGANISATION INVOLVED

If you are part of a company, local membership group or local authority looking to work in partnership or raise funds for a community project we would love to hear from you. Your support will directly help our work to bring positive change to people's lives.

## WHO WE ARE

The Patchworking Garden aims to provide a safe, friendly and non-judgemental space in our tranquil walled garden in Dorking.

We support those in the community living with a physical or mental health condition, learning disability or a challenging life situation. Run entirely by volunteers. We are a social horticultural project established since 2014.

## WHAT WE DO

We offer gardening, crafting and the opportunity to learn new skills in a safe and friendly space.

We also run the Patchworking Academy. Our three funded specialist tutors work with the students to gain a recognised qualification with the aim of finding employment in a job they really enjoy.

# WAYS TO GET INVOLVED

There are lots of ways that your organisation can help. Every little bit helps us as we need at least £50,000 every year to carry on our work. We welcome support including:

- Donations
- Fundraising
- Grants
- Charity of the year campaigns
- Sponsorship
- Gifts in kind

As well as supporting our cause working in partnership with us can have an added benefit for your business. If your organisation has a commitment to CSR or supporting your local community then helping us could help you achieve this. We can boast your brand's visibility and help you reach new audiences. If you would like to find out more about how we can work together please get in touch at [info@patchworkinggardenproject.co.uk](mailto:info@patchworkinggardenproject.co.uk)
